Foreword

America, thy raiment's but a
wreath about thy head.

The light within thy hand's of
hope, and by it we are led.

They garb's a bit of sunset and a
piece of starry sky.

The love we render's second to
only God on High.

Thy majesty's reflected in every
rippling stream,

In every lofty mountain, in every
city's gleam.

Thy glory's undisputed by men both
small and great;

And even though the way is rough
thou'll reach great Victory's gate.

America, we'll love and serve thee,
yea, most faithfully.

Through brightest day and darkest
night most loyal we shall be.

Our highest hope, our wealth, our
might, to thee we dedicate.

America, my native land, most
glorious is thy fate.

Dorothy Geffert.

Because we consider you an adviser and a friend
as well as a teacher,

Because you have encouraged us by your
unceasing effort, and

Because we love you,
We dedicate to you, Miss Bayless, this
16th edition of our Janus.

My Janus

As years roll by the spark of youth
burns faintly in the past,
And we in life's dim twilight look
fondly back at last.
We take our treasured Janus, when
lonely now and then,
And as we turn its pages we live
our youth again.

The happy days of high school life
in memory we recall.
We see once more our classmates
and reminise o'er all.
Assembly plays, athletic tilts, and
club activities
In stately row pass through our minds,
as glad festivities.

Then suddenly an awful thought
sinks deep within my heart.
"Suppose we had no Janus?" accordingly
you start————
"No Janus? No sweet memories?——a
fearful situation.
"We older folk are lonely, we need its
consolation".

Yes, this red-bound book is cherished
more as fleeting years pass on.
Endearing days most treasured seem,
alas, when they are gone.
So, carefully guard your Janus,
dear friends of "42".
It's a precious gift of memories from
the H. H. S. to you.

Dorothy Geffert.

Alma Mater

Dear old high school we are loyal
To the White and Blue,
To the loyal friendship formed here,
We will e'er be true.

We shall always aim to serve Thee,
Alma Mater, dear.
Keep thy honor bright and shining,
And thy records clear.

When we leave Thy walls enfolding,
Memories so dear,
We shall know what priceless treasures
Were the hours spent here.

CHORUS

White and Blue, we love Thy banners
For Thee we will fight.
Thy traditions, manners, customs
Ever shall be right.

Senior Class History

Hello, hello, hello, this is your old faithful station H.H.S. once more bringing you our special program. For the past three years it has been our custom to present a specially prepared program once a year. Many of you remember that superduper play we presented the first year. You may also remember we had John Apichella as our leading man with Peggy Anderson as our leading lady, but because of unforeseen complications she was replaced by her understudy Arlene Veneroso. Also starring in the program were Johnny Hospodar and Jane Malkames. Yes, that program was indeed a smash hit! Infact, it was such a hit that we received many requests to present more programs that year in which were featured such top flight stars as Howard Deis and Lois Bommer.

And then our second year . . . . how eagerly we looked forward to it, hoping to top our performance of the previous year. After careful deliberation we decided we would present a concert with Danny Fornataro as Maestro, asissted by James Scarcella. Script writer for the concert was Anne Iffert who, with Anthony Lucadamo, was largely responsible for its success. Among the artists who appeared with our concert group were Jack Murphy, Harriet Schmitt, Irvin Schick, Dorothy Macarow, Paul T. Lamont, Jr., Arlene Veneroso, and Johnny Ferdinand.

And now, we presented our third and probably best program. This year because of the quiz fad we fell in line with the rest. As quiz master we had our first year's leading man, John Apichella. Serving on the program as experts of sports, humor, and fashions were Joe Kovach, Johnny Ferdinand, and Jane Malkames respectively. We have said that we believe this was our best program.

In Fond Memory

JULIA DERITES

Resting in Paradise Garden is the
soul of an innocent lass.

The bud of her youth, fair, has
blossomed before that of each in her class.

We, here on earth, who once met her
while traveling o'er life's rugged road

Knew that in time she was destined
to rest in her heavenly abode.

The beauties of kindness and goodness
of graces she held were but few.

Her virtue of patience was typical
of an angel on earth we once knew,

But ne'er shall we chance to forget
her. In our memory forever she'll live,

For her life was an inspiration.
It moves us to love and forgive.

Her kindness, her patience, her
courage incited us to fight ever on

Till life's bitter journey is over,
till we meet in that glorious dawn.

Dorothy Geffert.

"The Hall of Fame"

The most popular seniors attending
this school
Have been chosen by us for their
manner and rule.
They shine as bright stars in their
high school relations,
So to them we extend our
congratulations.

A basketball hero is Frank McHugh.
The Janus and Mountaineer claim him
too,
Since his skill in writing is fine
they say.
And, he's Library's President, by
the way.

The Senior Class President is John
Apichella,
Who as Mr. High School is the
friendliest fella.
He was president of the sophomores,
and you
Know he is noted for basketball too.

Hip! Hip! Give a cheer for John
Ferdinand.
He's a famous senior who can cheer
to beat the band.
Besides Rah-rahing at the games,
he's a top-notch actor,
And his post as treasurer is
another leading factor.

Dorothy Geffert's a Mountaineer
writer.
Cadettes and the Janus are clubs
that delight her.
Thespians and Swimming are fa-
vorites with she,
Who also is head of the G. O. C.

Dorothy Razanoski is treasurer of
Band,
Co-editor of Mountaineer, Thespians,
and
Art editor of Janus Staff, an
active Cadette,
A member of Oratory, and Drum
Majorette.

★ ★ ★

Jane Malkames, the "Miss High School"
lass,
Is co-editor of Janus and Secretary
of our class.
She's vice President of Library and
also Cadettes
She was our Sophomore Class Treasurer
and a Drum Majorette.

Margaret Curilla is Vice President of
G. O. C.
And an honor student she has proved
to be.
She belongs to Thespians, Swimming
Club and well,
She also is a member of the Le Cenacle.

Vice President of French Club is
Melva Long,
A straight "A" student, who is in a
throng
Of clubs, a few we know to be:
Library, Swimming, and the G. O. C.

Co-editor of Janus is Lamora Frye,
Who is head of Cadettes, a club at
the "Y".
Thespian-Playmakers, Oratory,
French Club, and more all add to her
Glory.

Mount's feature editor is Howard Deis,
Who as Thespian's President is ever so
nice.
He's a Secretary of French Club, and
really can do
The work of a Janus Associate too.

Irvin Schick's a Master Thespian, and
say—
He's President of French Club, has an
I. Q. of "A".
Is a Janus and Mountaineer Editor;
Gee—
He's also in Debating and G. O. C.

May these bright stars in our "HALL OF
FAME"
Shine through the future ever the same.
May each recline in its haven afar,
And remain in the raiment a brilliant
star.

Dorothy Geffert.

"In the News"

Oh hum, I guess I'll take time out to read the newspaper now. "The Mountaineer, June 17, 1952." My, how time does fly, just ten years since I graduated.

Let's see, first page. Here's an article by foreign correspondent Robert Munley. He surely has been getting a by line lately . . . . . Well, what do you know! Another arrest by Detective Murphy of the New York Homicide Squad. Other men have been trying for months to solve that case, but then, isn't that just like Murphy always doing the unexpected . . . .

I see where Deisroth's is having a fashion show tomorrow. They're lucky to get professional models like Jane Malkames, Shirley Frumkin, Nellie Avillion, and Anne Visintaineer to model for them. I understand they are going to model several of Helen Richard's exclusive creations. Frank Antinozzi, who is Esquire's man about town, will model men's suits . . . . Here's another store advertisement. Ah, that's the haberdashery that Edmund Moore owns.

We see Woolworth's are doing a good business with Andy Koch as head of the Luncheonette Counter.

Also, the Leader Store is doing a thriving business in the Luncheonette Department with Charles Burkhardt and Paul Davis as dishwashers.

Here's another item . . . . The Leader Store is again planning its annual picnic. Irene Lapetina, Mildred LaMonica, Marie Rusnock, Anna Gasda, Charlotte Crawford, Margaret Chabalko, Rose Mestrow, and Ruth Evert are among those planning to attend the festival.

I think I'll take in a movie later. What shall it be? This one that Howard Deis stars in has received good notices, but here is one taken from the Broadway play that ran so long. I saw it as a play with Dot Macarow as the lead-

★ ★ ★

ing lady. Oh, well, maybe I won't go to a show after all. Perhaps I'll get a chance to go to Lester Stine's night club to hear Johnny Setar's orchestra. It's not often that an orchestra as big as that comes around here. His swing trio of Podlesnie, Palaggi, and Griffiths has made many fine recordings.

According to our social page, there were two banquets in town last night. Some attending the nurses celebration were Margaret Curilla, Carmella Dorso, Janet Hawke, Mildred LaMonica, Marjorie O'Donnell, Jean Halpin, Bette Gundry, Benedicta Malloy, Dorothy Sweeney, Lois Rausch, Helen Smalley, Martha Waschko, Elaine Strohl, Betty Schugardt, Mary Smith, and Doris Bonin.

Well, what do you know! Catherine George is now serving as a doctor's assistant.

I see where Dr. Lucille Henry, Millicent Norris, and Nancy Yost all attended the debut of the 1952 glamour girls. According to the article there were a lot of prominent people including General P. T. Lamont, Jr., Admiral Joseph Kolessor, Ambassador Estok; George Hanis, and Vincent Sauers, the financiers, and Mary Louise Green, noted child Psychologist.

Oh, here's a notice about the business women's meeting last night. I wonder how many members of our class turned out to be secretaries and such. Here's Dorothy Geffert's name as well as Dorothy Dreisel's, Arlene Veneroso's, Marjorie Evert's, Martha Prehatny's, Florence Schattie's, and Marie Esposito's. Most of them work for the company where John Apichella is president and Joe Kovach is vice-president. Gee, just like the old high school days! The secretaries are going to sponsor a program of home talent. Louis Yannarell and Catherine Beccone, the concert pianists, are going to present a two piano number, while Lenore Goodrich, Jean Gilbert, and Anita Fratee, will sing. Joe Cortez and Marie Jacobs will render one of their popular duets. I understand they both did well in that broadway musical. For variety, Johnny Ferdinand and Lamora Frye are going to do the jitterbug dance that made them famous. Oh yes, Victor Parente is going to be home that day from his work on the Philip Morris show, so he'll be there, too. That's going to be some entertainment!

Some of the girls who graduated with the Class of '42 are still working in the Civil Service Department of the Government. Among those who hold principal positions as Senior typists are: Helen Dougherty, Dorothy Lakata, Betty Ahlborn, Irene Mankoski, Evelyn Widitz, Helen Super, Dorothy Hudak, Catherine Jurus, and Irene Reisenweaver. Senior stenographers are: Catherine Deisler, Marie Mondik, Elaine Podlesnie, Florence Fritzinger, Betty Klein, and Mary Diehl.

My goodness, here's another club notice. The Young Married Women's Club elected officers. Anne Iffert Nicholson is president; Connie Dougherty Jacobs, vice-president; Peggy Shields Leonard, secretary; Agnes Lubrecht Kesselring, treasurer; and Frances V. Yanulevitch is Chairman of the program committee. Lucil Kugler Monahon is the retiring president. The club is going to sponsor an organ recital by Bob Dobra.

The last notice here is about the combination Boy Scout and Girl Scout Rally. Vernon Baum, Charles Miller, and Paul Davis are in charge of the boys, and Melva Long is the leader of the girls.

According to the news from City Hall, John Marushin and Agnes Kokinda are both going to run for Mayor next election. City Engineer Frank McHugh is taking new bids for work on the streets while Thomas Cipriano, democratic councilman, proposed a new ordinance last night. I always thought those kids would find their way into politics.

On Sunday there's going to be a service in memory of the soldiers who died in the last war. Reverend Schuster will give the invocation and Father Miorelli, the benediction.

Librarian Leona Woodring has sent in a list of new books receved at the library. Here's one on the list written by Sylvia Joseph, while here in the non-fiction group is one on horse-breeding by Virginia Force, one on Chemistry by Jack Kobrick, and one on farming by Mary Meithke and Dean Dunkell.

According to the report of last night's board meeting, several changes were made in our school. Joan Kinney was selected as head of the Latin Department. While John Curry, was elected head of the Mathematics Department, and Dorothy Lemmert, head of our Commercial Department.

Here's a little article in the personals which says George Watkins got a position as soda jerker in Mary Murphy's drug store. Another says Mary McMonegal has moved her undertaking establishment from Broad Street to Diamond avenue. I wonder if she had Al Cera's moving vans? This last one says that Eleanor Tito, Air Hostess, and our own high school "Lotty Pine", Lucille Devlin, also an Air Hostess, are home for a week end.

Now for the sport page. Faculty Manager of Athletics Michael Romancheck reports profitable sporting seasons. Coach Ellis and assistant coaches Watkins and Kracum surely had a successful football season. Coach Hospodar and assistant coaches Bresnock and McGeehan brought their charges right through to the play off. It says here, Hazleton High won five out of six swimming meets this past season. "Skippy" Thompson certainly kept his boys in tip-top condition during the past season.

Hazleton Professional basketball, under the management of Martin Mehallow and Anthony Scaran, also showed considerable improvement during the past year. Danny Fornatoro got another weight lifting medal last week. Jack Specht is expected to take the Valley Country Club Golf Championship this summer. I see where Pete Ferdinand won at the Indianapolis Speed Way, while Bob Owens won at the Allentown Speed Way. I felt certain those boys would lose their love for speed once they left school, but I see I was wrong. Well, that seems to be all the sporting news.

That brings us to the last page. Hmm, Dorothy Razanoski sold her last painting to an art gallery for $10,000. Just think, she was Art Editor of our own Janus.

Well, come to think of it, a lot from our class were successful. But then, it was a good class.

"The Voice of a Nation"

(KLINE ESSAY)

"I am America, still young mother of a mighty race! I stand on a soft, green-turfed mountain overlooking the boundless, flowering hills and valleys of my rich domains. While standing thus, my heart swells with infinite pride as I realize how much the sweat and toil of my people have brought me through the fleeting years."

"I dream of the three ages in which I, America, am privileged to live. They are yesterday, today, and tomorrow. Yesterday through memory and tomorrow through hope."

"After a careful study of the past I realize that the foundation, the very root of the advancement and success of this nation was from the beginning——education."

(Comparing the past and present, we realize the vast improvement that has taken place in our educational system. I, in schools have progressed from crude log cabins in which only the basic fundamentals of education were taught to the modern scientifically constructed buildings of today, in which young Americans are so well prepared intelligently to fill their place in the world.)

"With joyous anticipation and hopefulness I cry out to my youth—listen, children of America! march bravely forward, proud of yesterday's heritage and happy for today's success toward an even brighter tomorrow, secure in your knowledge that you bear unto all posterity that sweetest of all gifts—democratic education."

Junior Class History

In the year 1940, the sophomores started a concerted drive toward their goal, graduation. They elected as captain Gladys Snyder and had Albert Brown, Marion Seidel, and Jay Porpiglia as key men for their plays. They chose maroon and white as the colors for the team. The year ended with the class advanced one-third of the total distance to the goal.

Rested during vacation, the players came back ready for rapid progress. Captain Hunky Moran, with his able assistants Jay Porpiglia, Patricia Campbell, and Eleanor Yanick, led the team forward. Unity, strength, and ability were shown by the class as it progressed on the field. Keep on juniors, next year you make the winning touchdown.

Sophomore Class History

Amid much confusion and excitement the Sophomore class entered the portals of H.H.S. in September 1941. Everyone was happy and eager to enter upon this adventure. It held promise of being the most eventful of their life.

In a very short time the class of 1944 adapted themselves to the routine of their new school, and began to make their presence felt. The first noteworthy event was the election of class officers. After a spirited contest the following results were announced:

President.....Anthony Sharpe
Vice President.....George Kepping
Secretary.....Donald Rosborough
Treasurer.....William Hume

Under the guidance of their newly elected officers, the class members began to push forward. Every club in school soon had a sizable body of Sophomores among its members. Several of the important cogs of our football and basketball teams were from the class of '44. Last, but not least, the members of the class began to distinguish themselves as outstanding students.

The future holds much in store for this illustrious class. May its members be ever able and willing to rise to meet all that confronts them.

Lots of Luck

Thespian-Playmaker Club

The Thespian-Playmaker Club, Troupe No. 257, of the Hazleton Senior High School has produced this year a record-breaking number of major plays. The productions, numbering four in all, were under the direction of Miss Marian V. Brown.

The first of the full length plays, "Jane Eyre", was a romantic comedy of the 18th century, and was acclaimed by all as a smash hit. The other plays were "Reserve Two for Murder", a thrill packed mystery drama, "The Mad March Heirs", and "The Bashful Bachelor". All four shared the spotlight of success.

The Thespians are proud of their Entertainment Bureau which is the only successful Entertainment Bureau being run by any of the Thespian Groups connected with National Thespians. Dante Club

The Italian classes of the senior high school formed for the first time in the history of the school, an organization named the H. H. S. Dante Club. This orgainzation has been an asset to the department ever since its beginning as the students studying the Italian language have learned many things which could not be learned in the classroom. The members of the Dante Club learned new songs in the language. They learned something about plays and dramatic skits. They learned about Italian art, literature and acrhitecture. The members were also afforded an opportunity to write for the Italian newspaper, a publication called "Il Liberatore", which also had its beginning with the organization of the club.

A merit system was introduced whereby students doing the most good for the orgainzation could gain recognition by becoming either a Cellini, Marconi, Michaelangelo, or a Dante. Becoming a Dante is the highest honor that can be bestowed upon any member.

Each year the Dante Professional Club of Hazleton awards a prize for the best essay written by any Italian student in the high school.

The officers of the Dante Club are:

President	Anthony Scatton
Vice President	Anna Martini
Treasurer	Dominic Bianco
Secretary	Mary Jane Plesce

Girls' Swimming Club

Splash!! Who cares if the water is cold? We're proud members of the Girls' Swimming Club, and we do like our water. Soon after the term began we enjoyed initiating all our new members. While working for our Swimming Party, Christmas Procession, and Life Saving Courses the time for the Spring Water Follies came rapidly. Do you remember what a grand success that was? We really reached our peak at the Dinner-dance on May 6, when the officers and outstanding Senior members received their medals.

Stage Crew

The Stage Crew plans and builds all stage settings. In this planning, design comes first; then balance, rhythm, proportion, and color. They frequently build a model set in cardboard, and then the stage setting is constructed in exact proportions to the model.

Thus the Stage Crew is endeavoring to make better stage settings each time, and they are acquiring skill in giving a professional type of showing for their fellow students and Hazleton High School.

Music

Advanced Chorus

The term of 1941-42 proved to be a successful one for the Advanced Chorus of H.H.S. Under the capable direction of Mr. Donald Will this talented group has achieved recognition both in school and throughout the city. They have performed on numerous occasions before the Rotary, Kiwanis, and Woman's Clubs as well as for different churches in Hazleton. They have also been presented in assembly programs and at a special Christmas Carol Service.

Much of the Chorus's success this year has been due to the laudable work of its accompanists, Sally Lewis and Louis Yannarell.

H.H.S. Choral Club

The H.H.S. Choral Club, which was organized only last year, has, under the sponsorship of Mr. Donald Will, grown into a splendid organization.

The membership of this club is open to anyone in the high school who likes and appreciates music. Its activities for this year included the presentation of a successful Christmas Program along with other musical organizations in the high school, a musical show in the spring, and a few social functions.

The officers who served so capably this year were:

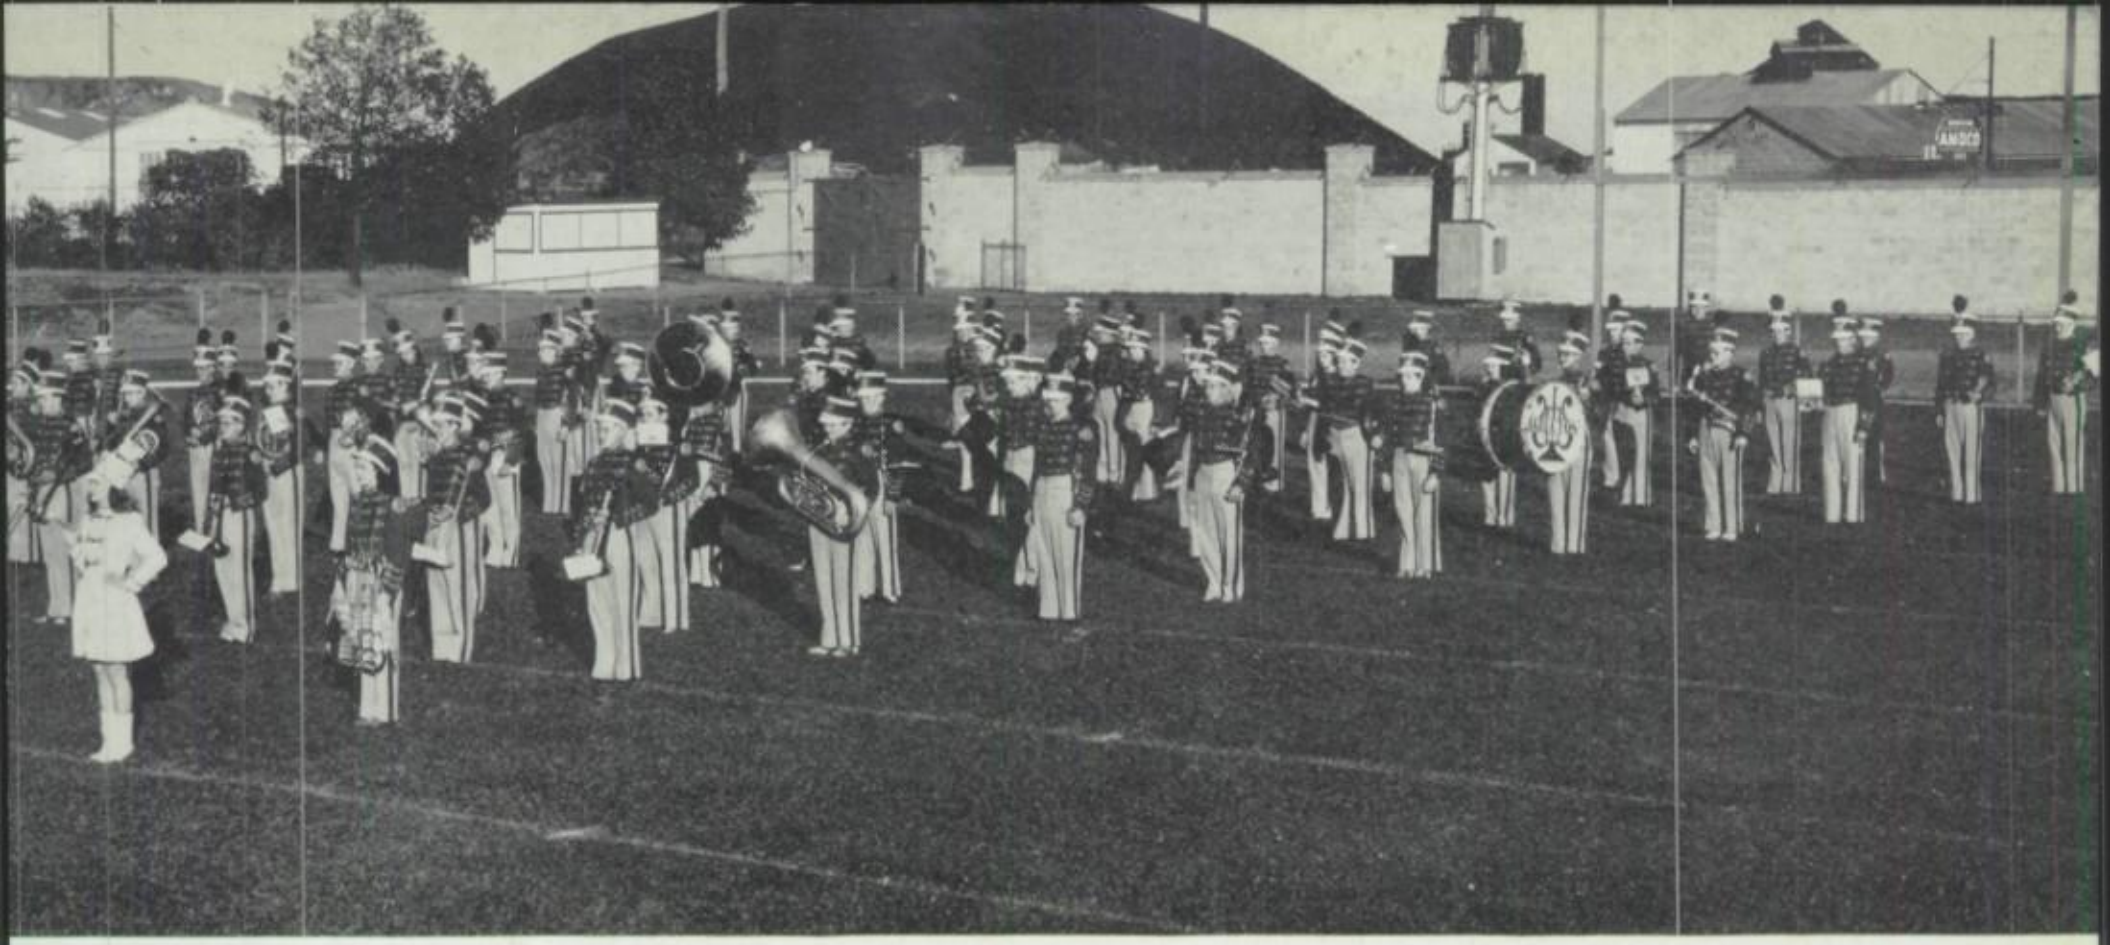
President ..... Louis Yannarell
Vice President ..... Joseph Cortese
Secretary ..... Isabel Palaggi
Treasurer ..... Joseph Shuster
Program Director ..... Joseph Cerwonka

Band and Majorettes

Those who believe in giving credit where credit is due must certainly realize the achievements of this year's H.H.S. band. Working and drilling almost daily under the direction of Mr. George P. Schwartz, Jr., and Mr. Harry S. Schmidt, the band has added color to all home football and basketball games.

Not only in high school activities, but also in civic activities, the band has taken part. War conditions make unusual demands on the band. Calls for parades, rallies, and banquets were made to which they responded splendidly.

This year's Blue and White Band introduced many new ideas. The band was divided into the Blue and the White Bands for basketball



games. Throughout the year entirely new music was played instead of that of previous years. Last but not least, a new corps of fourteen majorettes and five color guards and bearers, were added to the eighty-two piece marching band.

The Hazleton High Drum Majors and Majorettes made a colorful picture this year, thrilling many people as they strutted down the football field and basketball floor in their stunning blue and white uniforms.

Published in the interests of the students, under the supervision of Miss Rebecca W. Boyle, the *Mountaineer* is celebrating eleven years of successive publication. The moving of the Vocational Printers to a new location, necessitated the printing of the *Mountaineer* by another printer. This disqualified its entering the Columbia Scholastic Press competition.

For the duration, the *Mountaineer* found it necessary to curtail issues to one a month in order to conserve the paper supply.

The *Mountaineer* has taken three consecutive yearly first awards in the hand-set competition sponsored by the Columbia Scholastic Press Association. The publication also holds third place rating among others competing in the C. S. P. A. contest.

Entering a season which was disrupted and upset by a contagian scare, the Blue and White squad completed a campaign that can truthfully place them among the great teams of H.H.S. The Mountaineers won all of their games in an unofficial Big 15 Conference season.

At all home games, the students lead by the cheerleaders and the band, were always on hand to encourage their team. While for the out-of-town games, a large delegation of followers would journey to support their favorites.

September 19

Hazleton 25 — Hazle Township 6

Hazle Township subbed for McAdoo, which was unable to play in the opener because of the infintile paralysis threat, and took an early lead; but the Blue and White came through to win a well earned victory. While Gatski was the opposing threat, Kracum and Moran shined as ball carriers, with captain Joe Kovach and Bruce Ellis bolstering a speedy and dependable line.

October 3

Hazleton 2 — Shenandoah 6

Although Shenandoah came out on top in this heart-breaker, the Mountaineers really took the measure of the Blue Devils in actual field play. A wet, slippery field hindered the leather lugging quartet of Kracum, Pugliese, Fornataro and Moran. A safety was Hazleton's lone score, although they threatened several times.

October 11

Hazleton 19 — Lock Haven 7

Staging a great comeback, after their defeat by Shenandoah, the Mountaineers hit an offensive peak by defeating the Lock Havenites by a good score. The Blue and White charges showed great teamwork in their marches down the field. A crushing line attack was an important factor in Hazleton's victory.

October 17

Hazleton 6 — McAdoo 0

Although an unimpressive one, the Hazleton team scored a positive victory over the Boyle men. The only touchdown was scored in the first quarter on a well timed pass from Moran to Pugliese. Although both teams threatened, that was the extent of the scoring. McAdoo showed great strength on both defense and offense, but they could not stop the Mountaineers who were out to win.

October 24

Hazleton 37 — Freeland 0

The Blue and White charges displayed great ability as they over ran a plucky Freeland team. Leading the attack were Pugliese, Parrell,

Yourishin, and Pasda, aided by Jacobs, Ellis, and Paternoster. The game showed that Hazleton had plenty of good replacement material.

November 1

Hazleton 6 — Bethlehem 0

The game, played in a sea of mud and a downpour of rain, remained scoreless until the last quarter when a surprise pass from Degatis to Pugliese proved to be the only score of the game. Fadzio, filling in at the blocking position, played a good game. On the forward wall, Kovach, Watkins and Jacobs ripped open the Liberty Eleven's line as the Mountaineers defeated the gallant Butler men.

November 7

Hazleton 6 — Blythe Township 0

A staunch Blue and White team subdued a stubborn Blythe Township attack, before a large gathering of fans. The hero of the evening was George Yourishin, who supplied most of the drive and eventually Hazleton's only tally. A peppy backfield smashed a heavy Blythe Township line. Hayden broke up many of the opponents' plays before they could get started; while the whole Hazleton line was continually harrassing Blythe's backfield.

November 14

Hazleton 19 — Pottsville 6

The Blue and White team scored an impressive victory over their old rivals, under the arc lights of the Harman-Geist Memorial Stadium. Moran and Kracum were the spearheads of the attack with Parrell playing an outstanding game and scoring 2 of Hazleton's tallies. The whole Hazleton line, headed by Bruce Ellis, Watkins, Red Jacobs, and Hayden, was in top form.

November 27

Hazleton 6 — Sunbury 0

The two well matched teams played a hard, fierce battle before a capacity crowd, in fine football weather. Hazleton's attack, however, proved too much for their opponents as they varied their plays and Moran broke loose to score the winning touchdown. Pugliese turned in his usual outstanding game, while on the forward wall Kovach, Moyer and Ellis were also prominent figures in the Blue and White victory.

The Mountaineers victory over the Sunbury Owls proved a colorful conclusion to a successful football season, rendered by a Hazleton team of which we are justly proud. We extend our congratulations to Coaches Oleniczak and Shaw, Faculty Manager Al Wagner, and the players for the splendid season of football they have made possible.

The destiny of the Hazleton High School basketball team, beginning as an unknown quality, was gradually conformed as they developed into a potentially powerful quintet of basketeers. With a number of veterans from the previous year and some promising new material, the Blue and White team opened their season in a worthy fashion; they captured the first half Eastern League title. The fact that they did not duplicate their achievement and win the second half, and that they lost the playoff game for the League title, did not dim the brilliant achievements of this year's squad.

Coach Hugh McGeehan and his aides Frank Serany and Vernard Fegley are to be commended for the excellent job they have performed in building an exceptionally fine team and providing an enjoyable season of basketball.

May we ever respect the team of 1942 that so gallantly won its place of honor among the other great Blue and White teams of H.H.S.

December 9

Hazleton 24 — Wilkes-Barre Meyers 20

In their opening game, the Mountaineers proved that as a team they were a promising quintet of basketball players. It was evident that Hazleton had two dependable players in Co-captains John Hospodar and Edward Bresnock. Even though the Meyers Men gave them quite a battle, the Blue and White came through to win a victory more impressive than the score would indicate.

December 12

Hazleton 45 — Luzerne 14

The Hazleton Mountaineers unleashed an offensive attack that swamped a hapless Luzerne team. The Mounties displayed good floorwork and excellent ball-handling. John Apichella was a standout on the defense, while McHugh, McGeehan and Hospodar walked off with the scoring honors for the evening.

December 16

Hazleton 23 — Williamsport 14

A plucky Blue and White team routed a staunch Williamsport team in a third quarter drive, after having trailed in a hectic first half. Bresnock was the offensive ace of the evening. The whole team lead by Moran, constantly harassed the Billport courtiers. Hazleton's tightening up in the latter part of the game proved them to be a good defensive machine that had plenty of spirit.

December 19

Hazleton 40 — Coatesville 19

The McGeehanites were a fast moving offensive as well as defensive machine, as they steam-rollered over a fighting Coatesville team. While McHugh paced the Blue and White in their offensive drive, Hospodar and Apichella broke up the Coatesville offense.

December 26

Hazleton 43 — Pottstown 24

Hazleton emerged victorious again. Our team held a substantial lead for the first two quarters, the Pottstowners then became desperate and unlosed an offensive drive. The high scoring of Moran and Bresnock, however, quickly balanced their drive, and the Blue and White was able to subdue the Pottstown cagers.

January 9

Hazleton 34 — Allentown 32

The Blue and White crushed the invading Canaries before a crowd that overflowed the H.H.S. Gym. At the half the Mountaineers had a substantial lead. This lead was later cut down considerably by a fighting Allentown team. McHugh's defensive playing and Bresnock's tallies were outstanding. The Hazleton cagemen came through a hectic last quarter to defeat the Crum men.

January 16

Hazleton 29 — Bethlehem 30

The Mountaineers journeyed to Bethlehem and set up an early margin in a game that proved to be a heartbreaker for H.H.S. The Liberty men narrowed this margin 'till, when in a nip-and-tuck last quarter, a Bethlehem substitute's miracle toss decided the game in their favor. The offensive splurge on the part of Apichella was thus nullified by that fateful goal.

January 20

Hazleton 25 — Pottsville 18

The charges of Hazleton High defeated the Potters by extremely well executing their plays, and passes, and by closely guarding their opponents. Bresnock set the pace for the Blue and White, as Hospodar turned in his usual dependable game. Lanky Al Degatis entered the game and proved to be an offensive threat.

January 23

Hazleton 45 — Tamaqua 25

A conquering Mountaineer team routed the Tams with flying colors. Tamaqua had little to offer offensively, but proved stubborn defensively at intervals. Al Degatis went on a rampage and was dropping 'em in all night for Hazleton. McGeehan excelled with his ball retrieving.

January 27

Hazleton 36 — Easton 18

A determined band of Blue and White basketeers subdued the Red Rovers of Easton. Degatis went on a scoring spree again, while "Lefty" McHugh's floor work was tops. This victory brought to a close the first half of the Eastern League. Hazleton and Allentown were tie for first place; therefore a playoff was necessary.

January 30

Hazleton 28 — Allentown 26

Hazleton won the pennant for the first half of the Eastern League championship, when they defeated a gallant Allentown team, before 4,000 shouting fans in the colorful Convention Hall. With the score 9 to 20 at the half, the Mounts's spirit was extremely impressive as they came from behind to win gloriously in an extra period. Hospodar had tied the game with a foul, and Apichella laced two beautiful shots through the hoop in the extra period to cinch the game. Moran played an outstanding game, but the whole team played inspired basketball in the last half. They continually set up their plays and broke down the Allentown offensive. A High spot of the game was Hazleton's effectual "killing" of the ball for the last one and one-half minutes of play.

February 3

Hazleton 34 — Allentown 36

A revengeful Allentown team forced Hazleton to suffer an embarassing defeat. This victory was similar to that won by Hazleton at Philadelphia the week before; only, the conditions were reversed. Hazleton lead 24 to 9 at the half, but the Canaries came back to win in an extra period. In the second half Hazleton's offensive was broken up by the Crum Men who, playing on their own floor, could not be stopped.

February 6

Hazleton 23 — Bethlehem 26

The Blue and White dribblers found it hard to regain their winning stride, as the Emery men suppressed Hazleton's offense and broke through their defense. Bethlehem led most of the game. A Hazleton attempt to tie the score in the last quarter was to no avail, and the Liberty five went on to victory. Hospodar and McHugh played their usual good game. Poor foul shooting was the main cause of the Mountaineer's defeat.

February 10

Hazleton 50 — Williamsport 26

The McGheeanites looked impressive as they regained their winning style in their defeat of the Billports. Johnny Hospodar, with his pivot play working nicely, was the offensive spark plug. Pat McGeehan displayed crafty floorwork. A number of reserves saw service in the contest.

February 13

Hazleton 22 — Pottsville 24

Hazleton displayed an impressive battle, but lost its first game to Pottsville in thirty games. The foul shooting on the part of Hazleton being below par, was a contributing factor to the Mounties defeat. The H.H.S. Quintet put up a determined battle, however, and succombed to the Crimson and White of Pottsville only after an extra period of intensive play.

February 17

Hazleton 32 — Pottstown 19

Once again the H.H.S fans were pleased as their team displayed excellent defensive and agressive teamwork by defeating Pottstown in a mid-season exhibition game. Bresnock played a remarkable game, registering some of his tallies at opportune moments. This win completed the Mountaineers record of defeating each of their exhibition opponents.

February 20

Hazleton 45 — Tamaqua 20

As a conclusion to the Blue and White home season, they rendered a crushing defeat to a courageous Tamaqua team. The Hazleton team worked their plays nicely, and well executed their passing and guarding. McGeehan led the offensive attack, with McHugh and Degatis aiding in the scoring. The superb leadership of Co-captains Bresnock and Hospodar marked the fray.

February 24

Hazleton 30 — Easton 24

In a fast, hard-fought game, Hazleton's Blue and White dribblers vanquished the determined attack of the Red Rovers of Easton. Each member of the Mountaineer squad played a good, consistent game. A hectic last quarter, in which Easton outscored the Hazleton charges, turned out to be a free-for-all tussle. It was a thrill packed game from which Hazleton emerged victorious by cleverly defending their early lead.

March 4

Hazleton 32 — Pottsville 34

Since Pottsville won the second half of the Eastern League competition and Hazleton had won the first-half, a playoff between these two teams was necessary to determine the Eastern League Champion.

A flashy Pottsville team took the Eastern League crown in a deserving fashion. They edged out a gallant attempt on the part of the Mountaineers, before 6,500 fans at the University of Pennsylvania Palestra. Hazleton got off to an auspicious start and led the first quarter but the Potters crept up and led for the remainder of the game. A desperate rally by the Mounts in the last quarter made the game closer, and the situation more promising. The Blue and White, however, was unable to push in the winning points. The whole Mountaineer team performed capably, and they were not disgraced, even in defeat.

We wish to extend our appreciation to the players and to "Our Champions", our esteemed coach Hughie McGeehan, and all his assistants, for having given us a most colorful basketball season. We tender our deepest regards and best wishes to them for having brought much glory and honor to our ALMA MATER.

Irvin Schick, Sports Editor.

Junior Varsity Basketball

During 1941-1942 basketball season an impressive Junior Varsity was molded together by Coach Vernard Fegley. In their contests which preceeded the varsity tilts, this plucky band won thirteen out of the sixteen games they played. The most thrilling game of the year was played at Easton when, in a game that was nip-and-tuck throughout, the Hazleton team bowed to the Red Rovers after two periods of hectic play. As a sequel was the Pottsville game in which the score was close from beginning to end and in which the Fegleyites gloriously defeated their opponents. This gallant team of dribblers not only turned in a fine season of Junior Varsity basketball but proved to be good material for future Varsity teams.

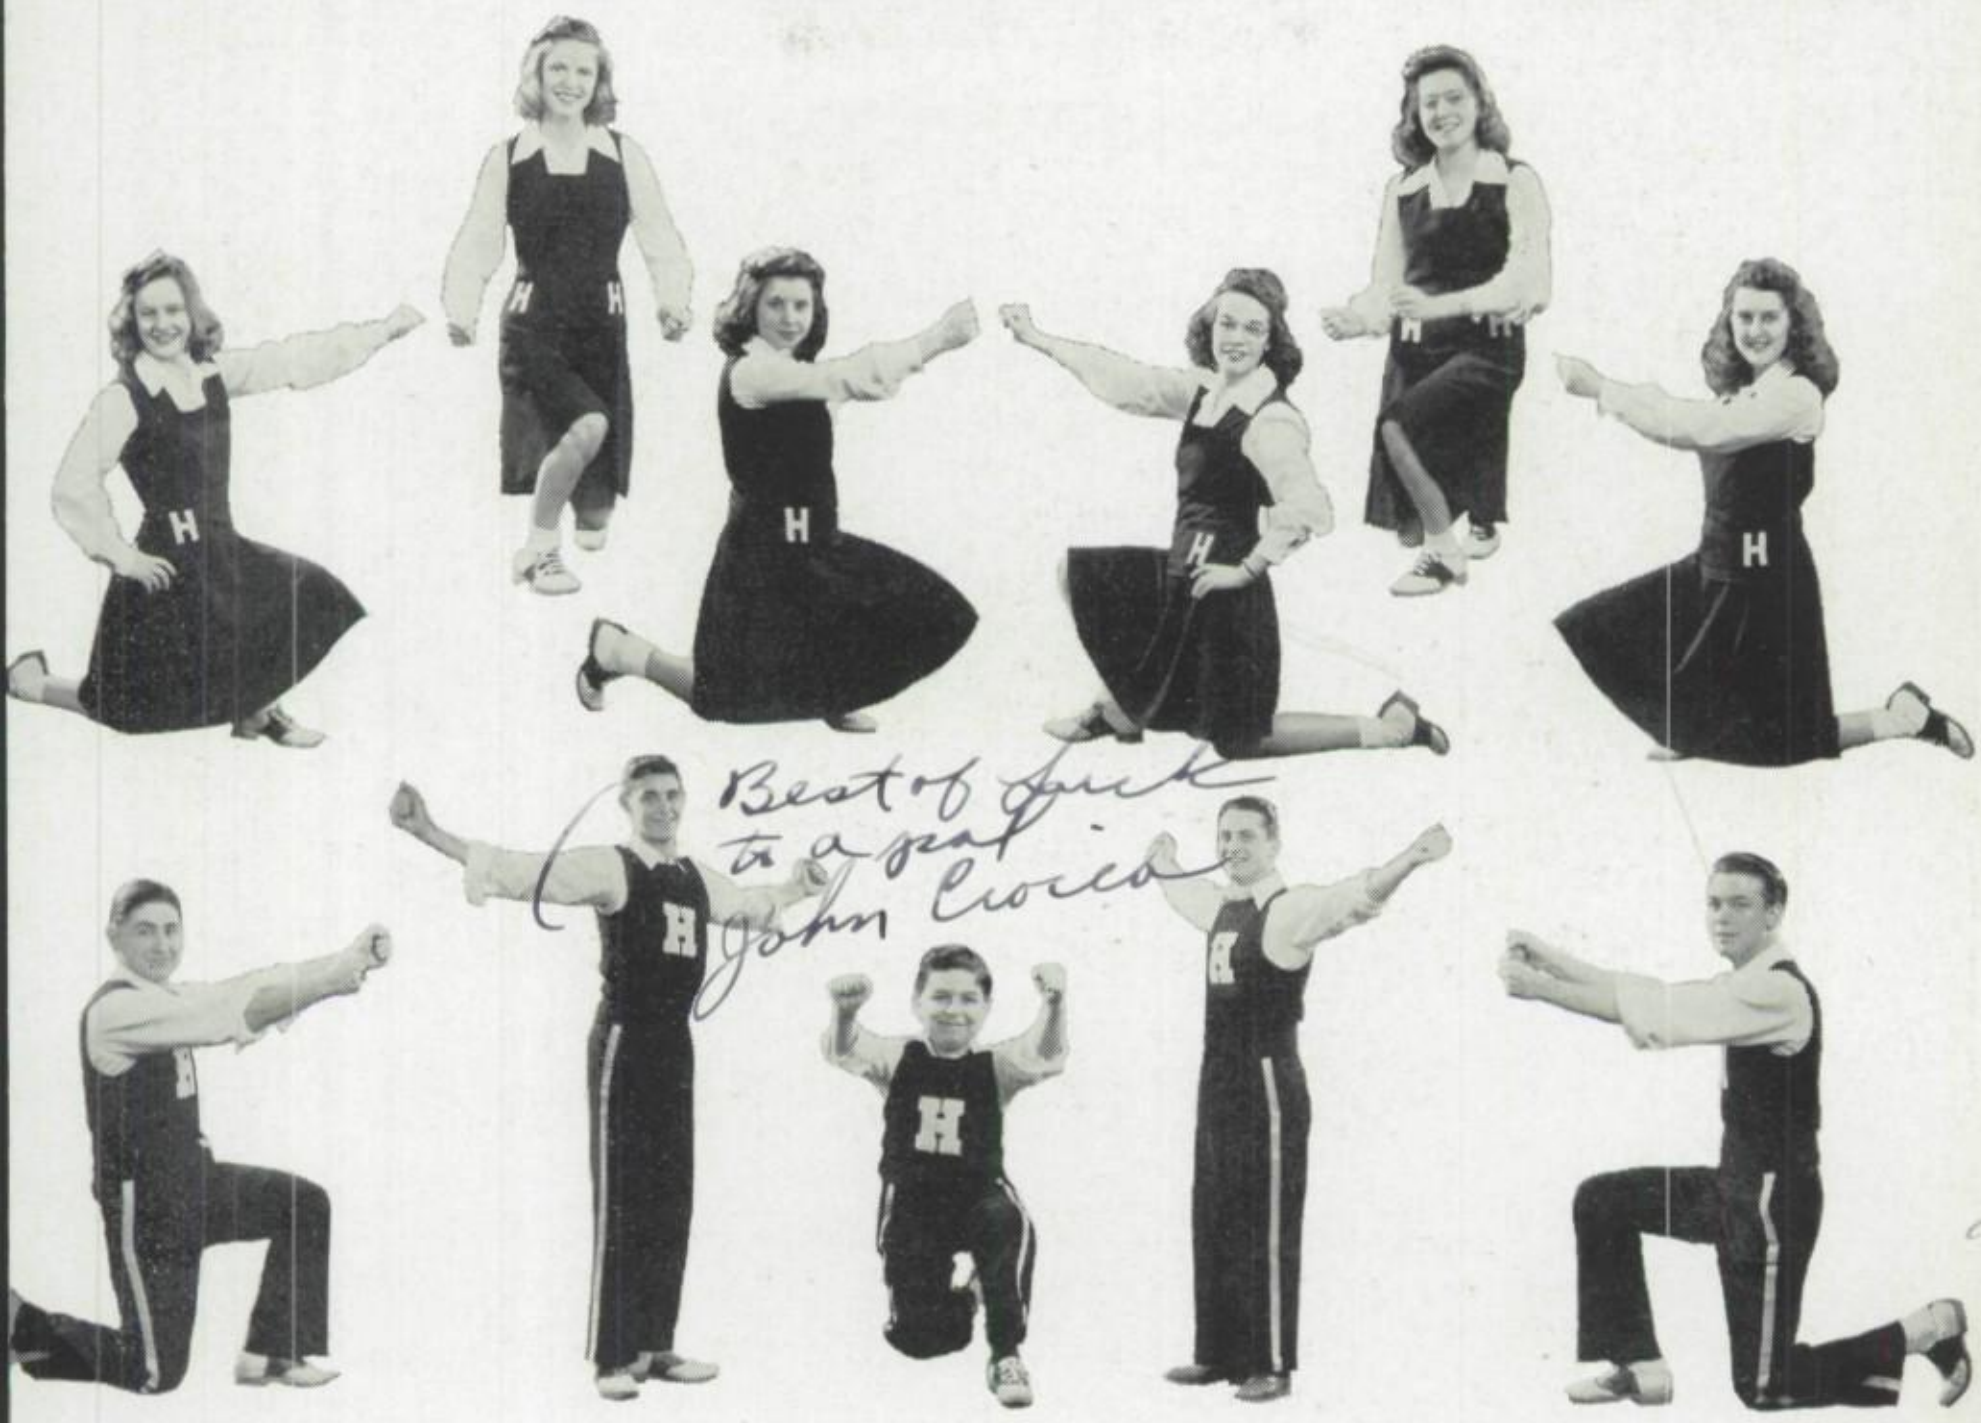
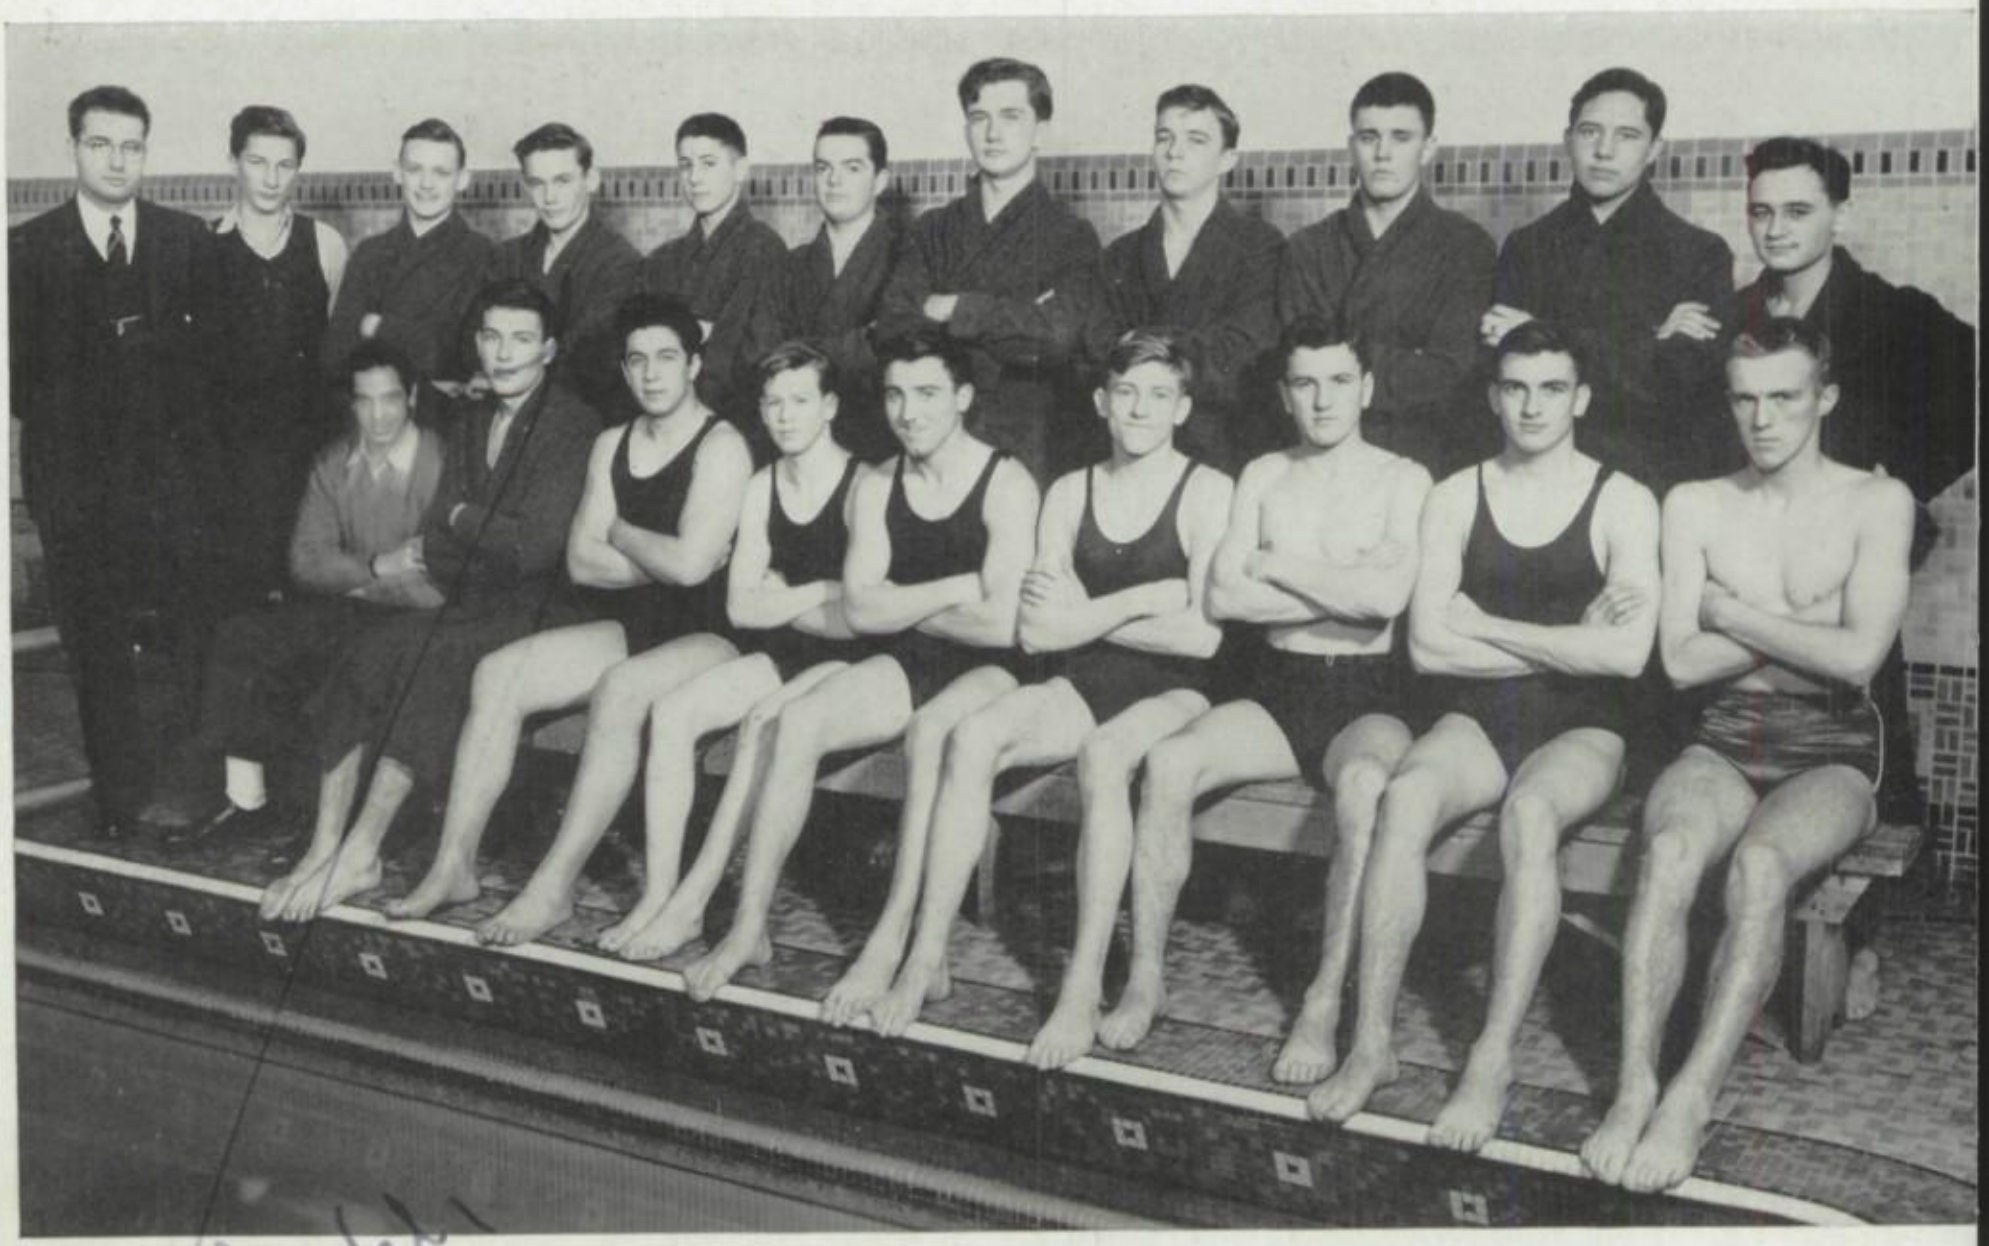
Hazelton High School Cheer Leading Squad





Boys' Swimming Team

In spite of the late call for swimmers this year, the boys' swimming team showed up fairly well by winning one out of three league meets.

The team opened the aquatic season by bowing down to Allentown High in an exhibition meet. Allentown scored 54 points to Hazleton's 12. Later in the season Allentown defeated Hazleton again 41-25.

At York, Hazleton ran up against keen competition, for two records were broken when the York swimmers took National honors for the 100 yard breast stroke and the 150 yard medley relay. They were led by Schmidt. His time for the breast stroke was 1:02:8 a world's record.

On February 25, Hazleton High easily defeated Hershey by a score of 45-21, at which time Gene "Skippy" Thompson broke the Hazleton pool record in the 220 freestyle event with a timing of 2 minutes and 29 seconds.

Hazleton entered the District Eleven finals on March 7, the regional finals on March 14, and the state finals March 28.

The season ended with eight seniors bidding farewell to high school swimming days. They are: Gene Thompson, Norbert Leonard, Michael Nicholson, Francis Surovich, Gordon VanHorn, Benjamin Suitch, Donald Oster, and Robert Munley.

Coach—Frank Persico
Co-captains—Eugene Thompson, and Norbert Leonard.

Where is this seat?

Where are the reserved seats?

These and similar questions are heard at all football and basketball games, from people who are attending for the first time. They are not familiar with the location of their seats, so in order to save time and trouble, the Usherettes have appeared at all basketball and football games to be of assistance to fans attending the events.
